Ingredients

Multi-Strain Probiotic Blend

9 billion allergen-free colony forming units of our cherry-picked multi-strain probiotic blend provides beneficial bacteria to establish healthy colonies and keep bad bacteria at bay.

Equine-Specific Probiotic Blend

Lactobacillus equi - 1 billion CFU.

Larch Arabinogalactan

Is a prebiotic that feeds probiotics, helping to keep them healthy and viable, reducing incidents of chronic infection with the added benefits of having anti-cancer and immune-modulating properties.

Slippery Elm Bark

Soothes the mucous membranes of the digestive and urinary tracts and respiratory system. It helps to protect the stomach against ulcers, and inflammation.

Deglycyrrhized Licorice (DGL)

Can support the protective layer of the digestive tract and improve circulation.

N-acetyl Glucosamine (NAG)

Helps to decrease inflammation and pain in the digestive tract, urinary tract, and respiratory system.

L-glutamine

L-Glutamine is an amino acid that is essential in the healing of leaky gut. It supports the strength of the mucosal lining and the proper functioning of the gastrointestinal tract and acts as a protector against the irritants that cause inflammation.

Marshmallow Root

Protects the tissue and has soothing effects on the stomach, intestines, bladder, and lungs.

Aloe Vera

Aloe Vera is known for its healing effects on the skin and intestinal tract.
